## Queen City Avenue Update: Construction to Resume

### WHAT/WHEN:

Crews from Baker Concrete Construction Company will resume construction for widening Queen City Avenue in Fairmount on Monday, May 2. This phase of construction is primarily from the intersection of Queen City and Wyoming Avenues and 1500 feet east. All work on Queen City Avenue is expected to be complete by the end of June. Until the entire Queen City Avenue project is finished, one westbound and one eastbound lane will be open.

### WHERE:

<u>Street</u>	<u>From</u>	<u>To</u>
Queen City Avenue	Wyoming Avenue	White Street

The Department of Transportation and Engineering oversees the rehabilitation and improvement of streets in the City of Cincinnati. The Department also works in transportation planning, design, engineering services, structural and geotechnical services, right of way regulation, and construction management. It is the clearinghouse for all City and regional transportation functions, and serves as a liaison to the Southwest Ohio Regional Transit Authority. <http://www.cincinnati-oh.gov/dote>
